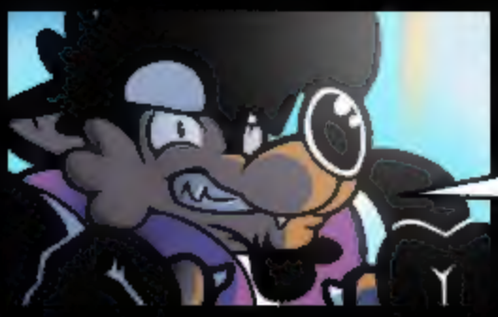
Wow, Toma! You got him!



Don't think it's going to be that easy. Faux is VERY stubborn!

Woah!

Hey, you're making it look so easy moving like that!

POW!

You know it's like SLAM! fighting to BIFF! a song KA-POW! I made up in my head!

Sure! I don't know what that means but I'm for it if it works!

Hah! Good!

HURK!

Oh, I ain't tossing you away like last time, little dude.

Something about you doesn't feel chill. Kinda annoying.

Unlike my bro, you seem raring for a fight, and that's telling me if MY Book can't knock you out, then I gotta waste some energy on ya.

Was that freaky transformation the only trick ya got, DUDE?

TOMA!

Fssssss

AAA~I'm sorry that's all I could think of!

Thanks for the save but warn me next time!

Yeah! Just as you're trying to figure this all out, I am too!

You could have dodged!

Sorry, Blot! The song in my head just hit a record scratch. Lost the rhythm!
